2019/4048/P	Jennifer Mills	14/10/2019 12:12:59	COMMNT	<p>I wish to object to the proposed erection of parking bollards. The owners of 2 Prince Arthur Mews have already erected 2 parking poles on their forecourt and now want 2 bollards further out towards the highway.</p> <p>a) They will be unsightly in a conservation area.</p> <p>b) They will make it more difficult for vehicles to manoeuvre in and out of the parking spaces opposite owned by numbers 7, 7A, 9 and 11 Perrin's Lane and will impede access for large vehicles to 3-9 Prince Arthur Mews.</p> <p>c) They may block access for fire, ambulance, utility and other emergency services.</p>
