2019/5204/T	Vicki Harding	16/10/2019 13:34:23	COMMNT	<p>Please could Camden consider converting part of this Notice of Intent to a DD notice for the poplar, and require a poplar replacement.</p> <p>This part of Netherhall Gardens needs all the thirsty trees it can get to help keep gardens from being boggy. A new young tree planted here on the playground would not only provide much needed shade in the future, but also be an excellent way for the students to demonstrate their care and respect for trees.</p>
