The signage proposals are considered to be acceptable in terms of their size, design, location, method of illumination and luminance levels, and do not have any adverse impact on the neighbouring amenity, nor are they harmful to pedestrians or vehicular safety in accordance with Camden Planning Guidance. Furthermore, the proposed signage does not obscure any significant architectural features or otherwise visually harm the appearance of the listed building, nor detract from the character and appearance of the Hatton Garden Conservation Area. As such, the proposed signage is considered to be acceptable.

The site's planning and appeals history has been taken into account when coming to this decision. No objections have been received following statutory consultation.

As such, the proposal is in general accordance with policies A1, D1, D2 and D4 of the Camden Local Plan 2017, the London Plan 2016, and the National Planning Policy Framework 2019.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2019.
