

Existing single glazed rooflight replaced with laminated double glazing on new PPC bars to same layout. 4 No. new openable vents included for environmental control.

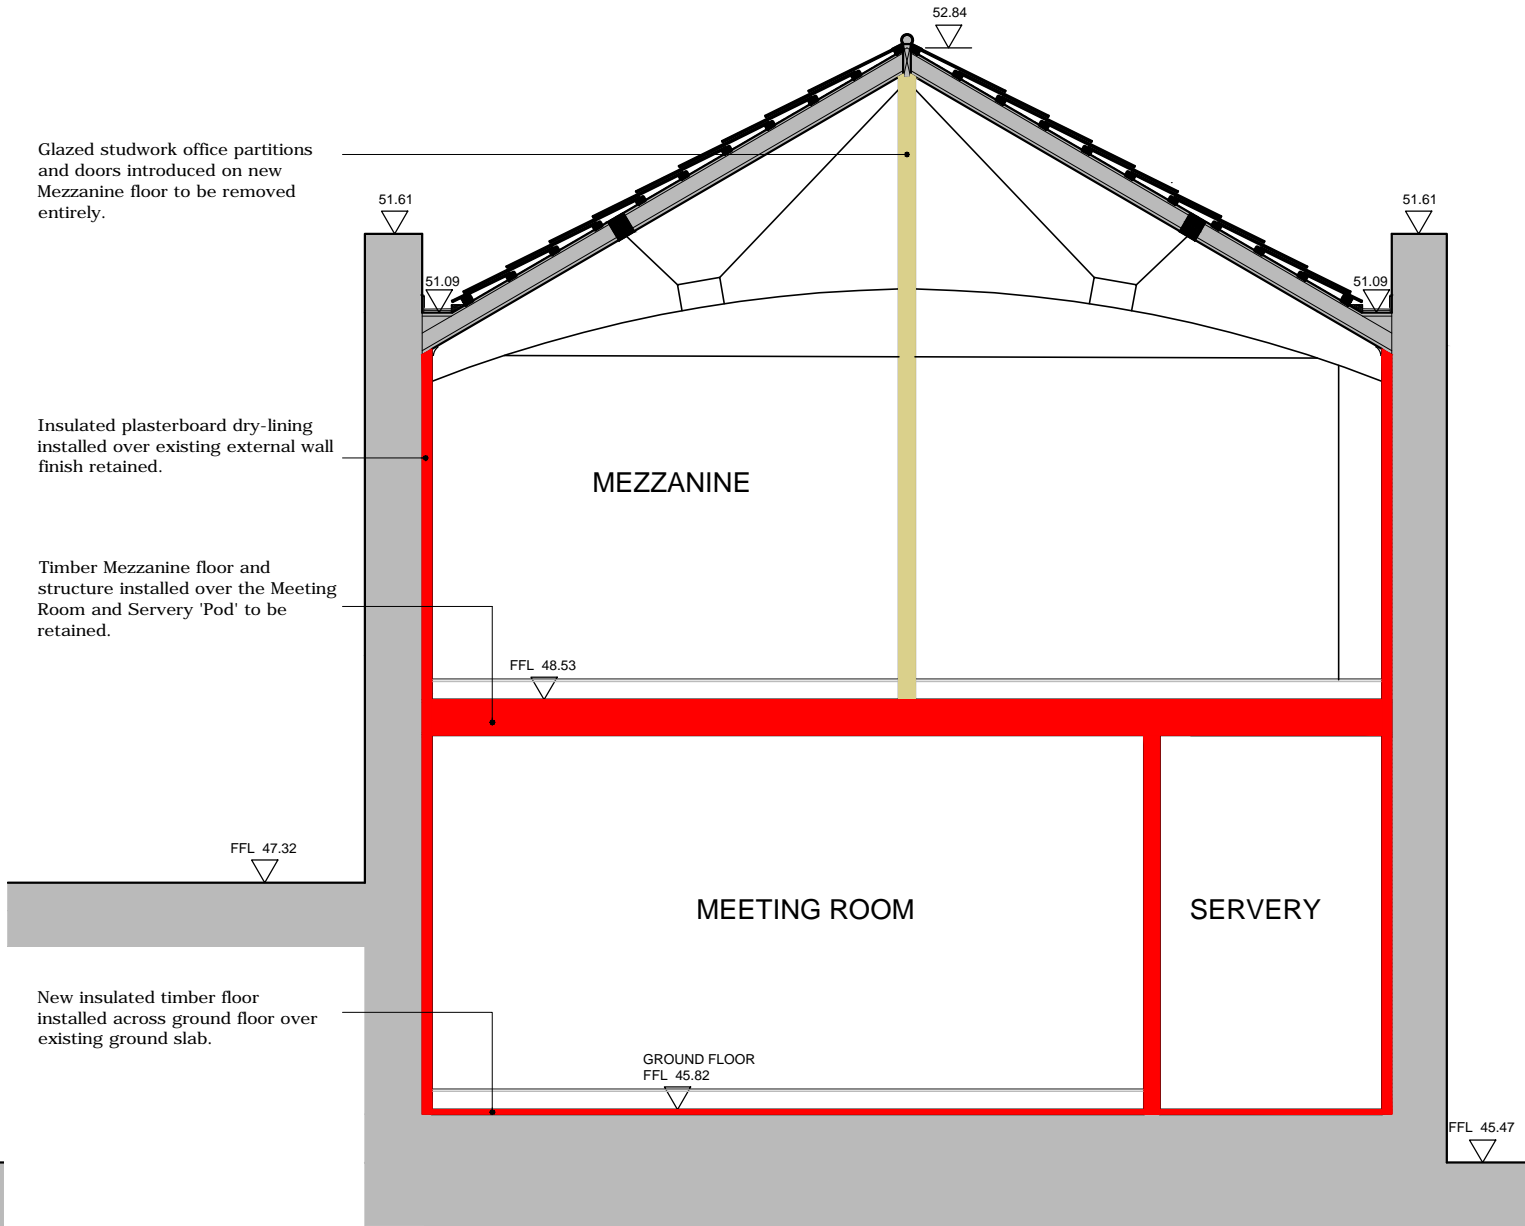

Glazed studwork office partitions and doors introduced on new Mezzanine floor to be removed entirely.

Brickwork to walls generally repointed, lead lined gutters replaced with new lead and Westmoreland slate roof recovered using existing slates, with replacement lead abutment flashings and ridge capping.

SECTION A-A

New studwork partitions forming 'Pod' in studwork with plasterboard facing, painted joinery and glazed doors. All junction between new and existing surfaces to be detailed with shadow gaps to allow additions to be clearly read as such.

SECTION D-D
