If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

Refurbishment of existing restaurant over levels ground and basement including structural alterations, modifications to front and side access into restaurant, alterations to staircases and new roof light.

Has the work or change of use already started? Yes No

6. Explanation for Proposed Demolition Work

Why is it necessary to demolish all or part of the building(s) and/or structure(s)?

The proposed demolition work facilitates the following improvements:

- A ground floor which is level internally from front to back, increasing the floor to ceiling height to the front portion at basement level.
- Level access to the rear of the property via a new internal ramp made possible by the removal of the alcoved side entrance.
- Partial rebuilding of a section of roof to the rear in order to provide a new roof light in the location of the existing rooflight.
- A lowered window height to the basement window will increase the amount of natural light at basement level.

7. Existing Use

Please describe the current use of the site

The existing ground and basement levels were used as restaurant but is now vacant.

Is the site currently vacant?

Yes No
