2019/3203/P	Freya Dawson	25/10/2019 10:15:16	OBJ	<p>As a close neighbour I am concerned about both the noise and potential number of cars that 5 flats could create on our road.</p> <p>Parking is already becoming difficult, having lived on Narcissus Road for 6 years now, I have seen a noticeable increase in the amount of cars parked on the road. Having another 5 cars potentially would create further issues with parking availability.</p> <p>I do not feel it is necessary to have so many flats within one building. If this were to happen at multiple properties on the street the area would become overcrowded very quickly.</p> <p>On this basis I object to this application.</p>
