> Dear Sir\Madam

> We would like to lodge an objection to the felling of the trees at No. 15 Fitzjohns Ave as no evidence by No.15 Fitzjohns Ave owners or managing agents has been provided to show that this action will not result in heave to [REDACTED] Fitzjohns Avenue as the affected trees are in extremely close proximity to [REDACTED] Fitzjohns Avenue. One tree at least is located within 2 metres of [REDACTED]

> If such a report is provided showing that the felling of the trees will not affect [REDACTED] Fitzjohns Avenue - we will withdraw the objection.

> Thank you
