Work Point Reference Details

No.	Description of exactly what activities should be carried out
WP 1&2	CAMDEN ROAD STATION Virginmedia cable is to be run in 20mm galvanised tubing (photo 4) to provide protection and security as requested by British Transport Police. 20mm galvanised tubing to be fixed to the external wall of station. The 20mm galvanised tubing is to follow existing cables from ground to balcony.
WP 3	BALCONY CAMDEN ROAD STATION 20mm galvanised tubing to follow existing cable over wall and onto balcony where a hole is to be drilled adjacent to existing cable entry into the BTP offices see WP 7 from BTP offices.
20mm Galvanised tubing to be used with the option of painting it matt black. Camden conservation re-presentative Catherine Bond to advise.
