To whom it may concern,

**RE: Planning application 2018/4916/P at 254 Kilburn High Road, London NW6 2BS**

I write to confirm that the flat identified as 'Intermediate Rented Housing Unit' (known at flat 604b) in the draft Section 106 agreement required for 6 additional flats at 254 Kilburn High Road is not supported by Origin Housing. This unit is located in a different core to the rest of the affordable units and would not work for Origin in terms of ongoing management.

Yours faithfully,
