Dear Sir/Madam

## **DECISION**

Planning (Listed Building and Conservation Areas) Act 1990

### **Listed Building Consent Granted**

Address:

**Horse Hospital  
Stables Market  
London  
NW1 8BG**

Proposal:

Installation of new mechanical and electrical services comprising the removal of cabling and pipes attached to the elevations of the buildings, the relocation of essential services, and the replacement of required external fittings. Relocation of the existing AC condensers on the west elevation to within the ramp against the Chalk Farm Road Wall.

Drawing Nos: 001, 002, ME.01 rev C, ME.02 rev P, ME.08 rev G, ME.09 rev K, ME.11 rev D, ME.12 rev D, ME.13 rev D, ME.14 rev D, ME.15 rev D, ME.16 rev D, ME.17 rev D, ME.18 rev D, ME.19 rev C, ME.20 rev C, ME.21 rev D, ME.22 rev E, ME.23 rev D, ME.24 rev C, ME.25 rev C, ME.26 rev C, ME.27 rev D, ME.28 rev B, ME.29 rev A, ME.30 rev A, Noise Impact Assessment reference AS10742.180924.NIA.1.2, Design and Access and Heritage Assessment.

The Council has considered your application and decided to grant Listed Building Consent subject to the following condition(s):

Conditions And Reasons:

- 1 The works hereby permitted shall be begun not later than the end of three years from the date of this consent.

Reason: In order to comply with the provisions of Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: 001, 002, ME.01 rev C, ME.02 rev P, ME.08 rev G, ME.09 rev K, ME.11 rev D, ME.12 rev D, ME.13 rev D, ME.14 rev D, ME.15 rev D, ME.16 rev D, ME.17 rev D, ME.18 rev D, ME.19 rev C, ME.20 rev C, ME.21 rev D, ME.22 rev E, ME.23 rev D, ME.24 rev C, ME.25 rev C, ME.26 rev C, ME.27 rev D, ME.28 rev B, ME.29 rev A, ME.30 rev A.

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

- 3 All new work and work of making good shall be carried out to match the existing adjacent work as closely as possible in materials and detailed execution.

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

- 4 The Wi-Fi units hereby approved shall be painted black and permanently maintained as such.

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting listed building consent:

The application seeks permission for the new distribution of mechanical and electrical services, the removal of external cabling and pipework attached to the elevations of the building, the relocation of essential services, and the replacement of required external fittings such as CCTV cameras and lighting. The proposals also include the relocation of the existing AC condensers on the west elevation of the building to the top of the ramp behind the building. The space is currently used for the storage of kegs associated with the adjacent drinking establishment, and as such would not result in the loss of an existing market stall. This location would provide improved cover for the AC units rather than their existing highly visible location which causes harm to the appearance of the building. The AC units would be within an existing timber framed pergola structure and shielded from views by new timber screening. The applicant has confirmed the timber screening will be temporary while long term proposals for the refurbishment of this area and the adjacent market stalls is worked on.

The proposals would rectify and remove a number of unauthorised and harmful alterations to the listed building. The works include the removal of surface-fixed

cabling to the external elevations, making good all services openings, and removal of fixings, brackets and supports. New wiring is proposed to be provided via a new internally run system with no surface cabling. The existing flood lighting to all elevations would be removed and replaced with more traditional and sympathetic light fittings, similar to the existing fittings approved elsewhere in the markets. The above ground gas pipework would be rerouted below ground to provide a neater finish, and the existing CCTV and wifi would be removed and replaced with more discreet solutions which are the same as existing fixtures approved elsewhere. The proposals also include the relocation of toilets, as previously consented under application ref: 2016/5329/L but not implemented at the time.

The Council's Conservation Officer has reviewed the proposals and confirmed the alterations are acceptable. The changes to the services and cabling would improve the appearance of the building and the existing harmful interventions would be replaced with more traditional and sympathetic fixtures and fittings which would preserve the special interest and significance of the grade II\* listed building.

No objections have been received prior to making this decision. The planning history of the site and surrounding area were taken into account when coming to this decision.

The site's planning history has been taken into account prior to making this decision and special regard has been attached to the desirability of preserving the listed building and its features of special architectural or historic interest, under s.16 of the Planning (Listed Buildings and Conservation Areas Act) 1990 as amended by the Enterprise and Regulatory Reform Act [ERR] 2013.

As such, the proposed development is in general accordance with policy D2 of the Camden Local Plan. The proposed development also accords with The London Plan March 2016, and the National Planning Policy Framework 2019.

- 2 You are advised that any works of alterations or upgrading not included on the approved drawings which are required to satisfy Building Regulations or Fire Certification may require a further application for listed building consent.
- 3 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team London Borough of Camden 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444) . Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 4 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website at <https://beta.camden.gov.uk/documents/20142/1269042/Camden+Minimum+Requirements+%281%29.pdf/bb2cd0a2-88b1-aa6d-61f9-525ca0f71319>

or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)

Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2019.
