

07/11/2019

Project: 210 Euston Road, London NW1 2DA  
Planning application reference: 2018/3309/P  
**Discharge of Planning Condition 9**

### Green Roof Specification:

In order to provide a wide biodiversity, we are proposing a green roof build-up comprising:

- Pro-Living Biodiverse substrate with growing medium installed at a min of 120mm with a settled thickness of 100mm  
(Pro-Living Biodiverse substrate as per attached data sheet)
- Proteus Pro Living Wildflower Plug Plants  
(as per the data sheet attached)
