2019/4238/P	Alan Mason	05/11/2019 08:29:46	OBJ	I write on behalf of CRASH (the Combined Residents' Associations of South Hampstead) to object to aspects of application 2019/4238/P. CRASH objected to the original proposals for this site, and welcomes the abandonment of plans for balconies and modern fenestration on the north (street-facing) elevation. However, the current application is still proposing the addition of modern Velux-type rooflights in the front roof slope, introducing alien features in the period (street-facing) elevation.
