| 2019/4547/P | Emmanuel Rashti | 06/11/2019 17:47:57 | SUPPRT | I frequently walk past this property, and having seen the new cycle store and compared it with what was originally granted permission, I am strongly in favour of retaining the cycle store where it has been built. It is to all extents and purposes invisible from the street and it makes a minimal impact on the setting of King's College Court. The level access and more secure storage are clearly of increased benefit to the residents. |
