2019/5631/T	Sur	07/11/2019 19:42:35	COMMNT	<p>Dear Planning</p> <p>The trees along the back gardens of Buckland Crescent, Adamson Road and Crossfield Rd are key to helping hid the tower block at Swiss Cottage from various angles including Gabrielle Court. Particular care on cutting trees in these back gardens should be taken. I believe the trees in 3 Buckland Crescent are the smaller ones rather than the tall mature trees that extend above the roof lines and so key to hiding the top floors of the block at 100 Avenue Rd</p> <p>So this comment is more about the trees in general than this particular application</p>
