2019/5361/T	Jeremy Lewison	01/11/2019 09:55:42	COMMNT	I object to the proposed action on the Elder. The Elder is a large tree by the boundary wall between the garden and the pavement. It is one of the largest trees in the road and is a distinctive feature of the surrounding environment not least in the way it gracefully overhangs the pavement. Unless it is diseased or otherwise unsustainable to fell it would be environmentally unfriendly and would remove something special from the road. The two cherry trees have already been removed before permission has been granted so I am unable to comment on this. I am happy for the olive tree and the pitisporum to be managed as indicated.
