Subject: Save Swiss Cottage Green Space - Objections

Dear Sirs/ Madam,

I am writing to object to the proposal to build a disgusting tower block at 100 Avenue Road .

Also I am protesting to the new CMP proposals which will disrupt the area by causing unnecessary pollution, noise and traffic congestion to the back streets behind the site .

All lorries must stick to the main A41 road to avoid any disruption to the green leafy conservation area which is Belsize Park.

Yours faithfully

Beverly Barnett
