4. Description of the Proposal

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s).

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

Proposed works to the existing Grade II listed residential property at 12 Keats Grove, Hampstead, London. Developed in line with Camden Council's Pre-Application feedback (2019/0151/PRE and 2019/2724/PRE). The proposal involves the restoration and extension of the house through a number of carefully considered interventions:

1. Sensitive Restoration: of external and internal finishes and details to reinstate the original Regency style detailing and materials.
2. Internal Alterations: minor adjustments to the internal layout to improve the usability as a modern family home, whilst maintaining the legibility of the original plan form.
3. Entrance Porch Extension: enlarging the existing entrance porch whilst maintaining its visual subservience to the main house.
4. Garage Replacement: removal of the existing poor quality side extension and replacement with a new extension of sensitive and high quality architectural design.
5. Landscaping: simplification of the front and rear gardens to enhance the setting of the house; including the removal of existing dilapidated garden structures and replacement with carefully considered garden rooms.
