Dear Sir or Madam,

We have been informed of a proposal to fell the Alder tree in the back garden of 1 Lawford Road.

This is a fine surviving tree growing on the old east/west hedgerow line, which is emphasised at intervals by mature trees, and now defines the boundary between back gardens.

Bearing in mind the environmental impact, the effects on biodiversity and wildlife, and the need to preserve and nurture the trees we have, we urge the council to reject this proposal.

Yours sincerely,

John and Dorothy Knight
