**Subject:** 2019/5826/T - Tree in rear garden no 6 Torriano Cottages NW5 2TA

I am seeking permission to carry out works to the *Metasequoia glyptostroboides* in the rear garden of my house, 6 Torriano Cottages.

I am proposing to thin the branches by 10% ie removal of one in ten branches back to the main trunk of the tree.

As you will see from the attached photographs, the tree is visible from the street.

However if you wish to view it more closely, please contact me and we can arrange a site visit.

My telephone number is 0207 267 0443.

I am the owner of the tree and of the land around it.

Please let me know if there is any more information you require to determine this matter.
