

REVISION

D C

DATE

The contractor is responsible for ensuring that no products are to be utilised that do not comply with relevant British and/or European Standards and/or Codes of Practice, CDM Regulations, Construction Regulations, or which are known or suspected at the time of product selection to be in breach of any applicable laws, regulations, codes of practice, standards or specifications. In accordance with good building practices.

The contractor is responsible for checking dimensions, tolerances, levels and references. The contractor is responsible for ensuring that all work is carried out in accordance with the drawings and specifications. Any discrepancy to be notified to Bally Garner LLP and rectified before proceeding with the works on site or shop drawings.

Where an item is covered by drawings to different scales, the larger scale drawing is to be worked to.

Do not scale drawings. Figured dimensions to be worked to in all cases.

This drawing and the copyright and patents therein are the property of Bally Garner LLP and may not be used or reproduced without consent or attribution.
