Dear Tree Officers and Planners,

List 554

2019/5446/T 48B St Albans Road

I have read the BS Institute Ltd report. I have no objection to the severe pollarding of trees No 1 and 2, and also their felling if you consider it necessary. I think that [REDACTED] is the leaseholder, or involved with, No 46 as well as No 48B. I have no objection to the removal of Trees No 3 - 6 in order to prevent future damage to the properties.

Thank you,  
Eileen Willmott
