## 5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

The Bleeding Heart Restaurant want to improve the staff access to the basement main kitchen of the restaurant. The existing access doors have been in place since the opening of the restaurant. The however form a Health & Safety issue, with a very low headroom at street level at 1500 mm. The internal headroom on the stairs is less.

The proposal is to reconfigure the open to provide a door height of 2100 mm and increase the internal access height, through an agreement with the groundfloor owner Mr Wilson.

The structural proposal is to reuse the existing timber beam and lift it one window higher than the existing. The existing security grillage will be altered to match the new opening.

The façade and joinery will be redecorated to match the existing blue colour.

## 5. Description of the Proposal

Has the work or change of use already started?

Yes  No

## 6. Existing Use

Please describe the current use of the site

The site located at 5 Bleeding Heart Yard is part of the Hatton Garden Conservation Area. The Yard is thought to be named after an old inn sign. The yard is located behind Greville Street and it is characteristic of the original street pattern as an example of a large yard that has survived from the XVII century street plan. Its character depends on lower heights, irregularity of outline and a strong sense of enclosure for their effect. It is paved with poorly bonded granite sets. It was originally used for stables, but in the eighteenth and nineteenth centuries was appropriated for industrial uses.

Is the site currently vacant?

Yes  No

**Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.**

Land which is known to be contaminated

Yes  No

Land where contamination is suspected for all or part of the site

Yes  No

A proposed use that would be particularly vulnerable to the presence of contamination

Yes  No

## 7. Materials

Does the proposed development require any materials to be used?

Yes  No

**Please provide a description of existing and proposed materials and finishes to be used (including type, colour and name for each material):**

Windows	
Description of existing materials and finishes (optional):	Existing security grillage
Description of proposed materials and finishes:	The existing security grillage will be altered to match the new opening. The façade and joinery will be redecorated to match the existing blue colour.
