2019/5214/P	Julia Pascal	21/11/2019 22:14:41	COMMNT	<p>Loss of light to residents in Somerton House. 15 months of construction in an area that has suffered endless construction with the Halo Building's massive construction in to the Doctor's Laboratory.</p> <p>More air pollution with construction, vehicles and materials in a small street that has far too much traffic as a result of the Doctor's Laboratory's endless bikes and vehicles coming in to this street and Flaxman Court 24/7.</p> <p>There are far too many hotels in this area. This extension means more traffic. More air and sound pollution. It interferes in the lives of local residents who wish to enjoy the peaceful environment of their home.</p> <p>More diesel fumes will mean even more pollution in one of the most polluted areas of the Euston Road and the side roads. No to this permission. It needs to be rejected.</p>
