Subject: RE: Advertisement consent application - 2019/5549/A - 124-125 Tottenham Court Road

Good Morning Tony,

Many thanks for the below email, is very helpful to see initial recommendations early on in the process

I can confirm that the internal illumination will be the lettering only, like the example photo attached, so minimal illumination overall

Please let me know any further questions or recommendations following your site visit as will be happy to discuss

Kind Regards

Andy Horwood
