BY PLANNING PORTAL

Dear Colette,

7 DENMARK STREET, LONDON WC2H 8LZ

DISCHARGE OF CONDITION 8 OF LISTED BUILDING CONSENT 2018/0081/L

On behalf of my client, Consolidated Developments Ltd, please find enclosed an application to discharge Condition 8 attached to Listed Building Consent 2018/0081/L.

Condition 8 states:

Notwithstanding the approved drawings and support documents, double glazed windows are not approved as part of this permission. Detailed drawings (plan, elevation and section drawings) for all new windows and doors at a scale of 1:10 shall be submitted to and approved in writing by the local planning authority before the relevant part of the work is begun.

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

In order to discharge this condition please find enclosed the necessary plan, elevation and section drawings for the approved Mews building. You will note that the details for the windows and doors associated with the host building have previously been discharged under an earlier Listed Building Consent (2018/0056/L).

I trust the submitted details are sufficient for your current purposes and I look forward to receiving confirmation that this approval of details application has been validated. In the meantime please do not hesitate to contact me if you require anything further or wish to discuss any point in more detail.

Yours sincerely,

Anna Snow
Director
