2019/5901/P		03/12/2019 09:34:23	OBJ	This application must be rejected until such time as there are public documents available. If the new gates are sited in this location and vehicular access is required into the Old Dairy Mews it will inevitably mean that the public footpath will be blocked while the gates are opened. It is illegal to block a public footpath.
