2019/5851/L	David Richmond	10/12/2019 15:45:18	INT	Why are there no drawings or heritage statement on website. The consultation period needs to be extended, starting when the documents are available.
2019/5851/L	Highgate Society	10/12/2019 16:01:25	INT	Further to my previous comment I have now discovered the drawings etc on the planning application, which appeared on a separate list a day later. No need for further reply but it would help in future if the note saying there are no drawings could refer one to the planning application.
