2019/6082/T	Jonathan Byatt	06/12/2019 11:26:36	SUPC	Can this shrub/tree be recycled and removed firtrandfer to another location within Camden? This would preserve the plant and allow a low cost option for Camden council gardening contractors to improve estates and other areas e.g. south end close estate. In this way air quality is improved as well as the quality of life at the transferred location.

2019/6082/T	David Greene	06/12/2019 10:05:58	OBJNOT	<p>This application to fell a tree should be refused .</p> <p>The application provides no coherent reason why this tree should be removed .</p> <p>Huge efforts are being made to plant trees aver the planet , they are beneficial for so many reasons that we all know so well ,thus every application to fell a tree should be resisted unless very strong reasons are presented...</p> <p>Trees are not only beautiful living things they are very much a neccessary part of our fight against polution and climate change .</p>
