2019/6098/T	Jonathan Byatt	09/12/2019 15:40:53	SUPC	Can the owner liaise with Camden gardening contractors to recycle this plant/shrub/tree? The loss of any healthy plant is unfortunate but this can be transplanted and re-used in other areas and estates in Camden e.g. South end close estate. In this way the quality of life can be improved at low cost and these plants continue to reduce pollution.
