2019/5675/P	Jonathan Byatt	12/12/2019 12:16:56	SUPC	Can the owner liaise with Camden gardening contractors to recycle any plant/shrub/trees impacted by the landscaping work? The loss of any healthy plant is unfortunate but this can be transplanted and re-used in other areas and estates in Camden e.g. South end close estate. In this way the quality of life can be improved at low cost and these plants continue to reduce pollution.
