2019/6177/P	Jonathan Byatt	14/12/2019 17:53:01	SUPC	Can the owner liaise with Camden gardening contractors to recycle any plant/shrub/treasure to be removed by these works? The loss of any healthy plants is unfortunate but this can be transplanted and re-used in other areas and estates in Camden e.g. South end close estate. In this way the quality of life can be improved at low cost and these plants continue to reduce pollution.
