To assist in answering this question correctly, please refer to the help text which provides guidance on determing geological conservation features may be present or nearby; and whether they are likely to be affected by the property of the property	ing if any	
12. Biodiversity and Geological Conservation  Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the a or near the application site?  To assist in answering this question correctly, please refer to the help text which provides guidance on determing geological conservation features may be present or nearby; and whether they are likely to be affected by the proposed and priority species:  Yes, on the development site  Yes, on land adjacent to or near the proposed development  No  b) Designated sites, important habitats or other biodiversity features:  Yes, on the development site  Yes, on land adjacent to or near the proposed development  No  c) Features of geological conservation importance:  Yes, on the development site  Yes, on land adjacent to or near the proposed development	ing if any	
12. Biodiversity and Geological Conservation  Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the a or near the application site?  To assist in answering this question correctly, please refer to the help text which provides guidance on determing geological conservation features may be present or nearby; and whether they are likely to be affected by the proposed and priority species:  Yes, on the development site  Yes, on land adjacent to or near the proposed development  No  b) Designated sites, important habitats or other biodiversity features:  Yes, on the development site  Yes, on land adjacent to or near the proposed development  No  c) Features of geological conservation importance:  Yes, on the development site  Yes, on land adjacent to or near the proposed development	ing if any	
12. Biodiversity and Geological Conservation  Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the armonear the application site?  To assist in answering this question correctly, please refer to the help text which provides guidance on determing declogical conservation features may be present or nearby; and whether they are likely to be affected by the property and priority species:  Yes, on the development site  Yes, on land adjacent to or near the proposed development  No  b) Designated sites, important habitats or other biodiversity features:  Yes, on the development site  Yes, on land adjacent to or near the proposed development  No  c) Features of geological conservation importance:  Yes, on the development site  Yes, on land adjacent to or near the proposed development  No	ing if any	
12. Biodiversity and Geological Conservation  Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the armonic or near the application site?  To assist in answering this question correctly, please refer to the help text which provides guidance on determing eological conservation features may be present or nearby; and whether they are likely to be affected by the property of the property o	ing if any	
12. Biodiversity and Geological Conservation  Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the armonic or near the application site?  To assist in answering this question correctly, please refer to the help text which provides guidance on determing eological conservation features may be present or nearby; and whether they are likely to be affected by the property of the property o	ing if any	

13. Foul Sewage		
☐ Mains Sewer ☐ Septic Tank ☐ Package Treatment plant ☐ Cess Pit		
☐ Other ☑ Unknown		
Are you proposing to connect to the existing drainage system?	□ Yes	○ No
14. Waste Storage and Collection		
Do the plans incorporate areas to store and aid the collection of waste?		No
Have arrangements been made for the separate storage and collection of recyclable waste?	□ Yes	● No
15. Trade Effluent		
Does the proposal involve the need to dispose of trade effluents or trade waste?	□ Yes	No     No
16. Residential/Dwelling Units  Due to changes in the information requirements for this question that are not currently available on the system, if Residential/Dwelling Units for your application please follow these steps:	you nee	ed to supply details of
<ol> <li>Answer 'No' to the question below;</li> <li>Download and complete this supplementary information template (PDF);</li> <li>Upload it as a supporting document on this application, using the 'Supplementary information template' docum</li> </ol>	ent type	<b>).</b>
This will provide the local authority with the required information to validate and determine your application.		
Does your proposal include the gain, loss or change of use of residential units?	☐ Yes	No
17. All Types of Development: Non-Residential Floorspace		
Does your proposal involve the loss, gain or change of use of non-residential floorspace?	□ Yes	No     No
18. Employment		
Will the proposed development require the employment of any staff?	□ Yes	No
19. Hours of Opening		
Are Hours of Opening relevant to this proposal?	□ Yes	● No
20. Industrial or Commercial Processes and Machinery		
Please describe the activities and processes which would be carried out on the site and the end products including plant, include the type of machinery which may be installed on site:	ventilatio	on or air conditioning. Please
N/A		
Is the proposal for a waste management development?		No
If this is a landfill application you will need to provide further information before your application can be determin should make it clear what information it requires on its website	ed. You	r waste planning authority

21. Hazardous Substances	
Does the proposal involve the use or storage of any hazardous substances?	
22. Site Visit	
Can the site be seen from a public road, public footpath, bridleway or other public land?	
If the planning authority needs to make an appointment to carry out a site visit, whom should they conta  The agent  The applicant  Other person	ıct?
23. Pre-application Advice	
Has assistance or prior advice been sought from the local authority about this application?	⊚ Yes
If Yes, please complete the following information about the advice you were given (this will help efficiently):	the authority to deal with this application more
Officer name:	
Title	
First name	
Surname	
Reference	
Date (Must be pre-application submission)	
Details of the pre-application advice received	
24. Authority Employee/Member  With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member  It is an important principle of decision-making that the process is open and transparent.  For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that informed observer, having considered the facts, would conclude that there was bias on the part of the difference of the above statements apply?	
25. Ownership Certificates and Agricultural Land Declaration  CERTIFICATE OF OWNERSHIP - CERTIFICATE A - Town and Country Planning (Development Maunder Article 14  I certify/The applicant certifies that on the day 21 days before the date of this application nobody part of the land or building to which the application relates, and that none of the land to which the holding**  * 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run. reference to the definition of 'agricultural tenant' in section 65(8) of the Act.	except myself/the applicant was the owner* of any see application relates is, or is part of, an agricultural
