

Notes:
 Drawings are based on survey data and may not accurately represent what is physically present.
 Do not scale from this drawing. All dimensions are to be verified on site before proceeding with the work.
 All dimensions are in millimeters unless noted otherwise.
 Purcell shall be notified in writing of any discrepancies.

Key Plan
 not to scale

KEY

 Full removal of existing slates, waterproofing works to substrate and reinstatement of new Westmorland Green slates in like for like arrangement

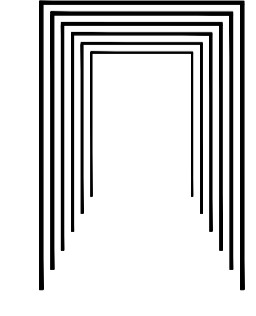

Following the removal of the slates, a thorough review of the concrete substrate to be assessed by a qualified representative of the specialist roofing subcontractor and any damage and repairs identified and agreed with the conservation architect. All lead flashings and waterproofing functions to be fully reinstated by a LSTA accredited leadworker.
