Dear Sir/Madam, RE: INSTRUMEL LTD WOBURN BUILDINGS,
1-7, WOBURN WALK, WC1H 0JJ 2019/4887/L

We strongly object for any long term works to be carried out just in front of our doorsteps. This project sounds like, a lot of structural changes and will create noise, dust etc.

My young children and my wife all have asthma and I wouldn't like them to suffer. And also our living, bedroom all will be exposed to unknown builders as it faces this building.

Please do not allow another developer to make quick profit and ruin the locals. Health of my family in first priority.

Thanking you

Yours

MR. J. PATEL
