Description of proposed materials and finishes:	The Northern boundary wall and fence panel will be retained and the remaining fence will be replaced as follows: a 3m high Zaun Duo fence matching existing for the ball court (powder coated dark blue) and a 1.2 m high flat bar railing for the outdoor gym (powder coated black).

Vehicle access and hard standing	
Description of existing materials and finishes (optional):	The entire site is currently covered in tarmac.
Description of proposed materials and finishes:	The hard landscaping will use a palette of buff coloured asphalt for the ramp, the outdoor gym and the path along the top side of the ball court. The surface of the MUGA ball court will be new macadam surfacing with non-slip heavy duty acrylic coating and acrylic line markings. Stairs will be built with natural coloured concrete slabs with inserted contrasting visibility strips.
