2019/6215/P	Jonathan Byatt	19/12/2019 17:46:19	OBJ	The redevelopment of arches and outbuildings will benefit the fortunes of Camden market area, boosting tourism revenues. However, the plan seems to remain all brick and concrete with no foliage to break up the scenery or reduce pollution. The plan should include an environmental impact which could lead to more jobs, hanging baskets, planters, trees, helping the enclave become a hanging garden of which Camden can be proud.
