Dear Mr Baxter

Arrangements for Handling Heritage Applications Direction 2015

Authorisation to Determine an Application for Listed Building Consent as Seen Fit

**FREEMASONS HALL 60 GREAT QUEEN STREET LONDON WC2B 5AZ
Application No 2019/4212/L**

Applicant:	Mr Stephen Bond
Grade of building(s):	II*
Proposed works:	Amendment of the design to amalgamate the consented separate generator housing and fuel store into a single entity. The consented scheme was for a generator housing of 10.125m x 2.45m x 4.613 and separately a fuel store that was 5.236m x 2.45m. The revised scheme bringing the two together will be 11.10m x 2.30m x 3.956m. Thus, while the amended combined design is roughly 1 metre longer than the consented generator, it is 0.6 m lower, and it eliminates the extra fuel store structure. It is confirmed that the noise level generated in the amended arrangement will remain unaltered from the consented scheme at 75db @ 1 metre and 65db @ 7 metres.
Drawing numbers:	As seen on LPA website.
Date of application:	6 December 2019
Date of referral by Council:	6 December 2019
Date received by Historic England:	6 December 2019
Date referred to CLG:	6 December 2019

You are hereby authorised to determine the application for listed building consent referred to above as you think fit.
