2019/5690/P	David Castle	20/12/2019 12:53:17	OBJ	<p>Objection from: THE HEATH &amp; HAMPSTEAD SOCIETY</p> <p>This application for an EXTRA floor on a charming well preserved house is no improvement on the previously rejected application (2018/6025/P) to which we and many others objected.</p> <p>The extra floor changes completely the roof-line and angles of slope of the roof and creates a dominant over large roof that spoils the Dutch Gable and the well proportioned facade.</p> <p>No.8 Frogna Lane also forms an unspoilt pair with its neighbour with the same Dutch Gable and discreet roof. The proposed large roof will spoil the pair.</p> <p>This application detracts from the Conservation area and there is no reason for not rejecting the proposal again.</p>
