2019/6011/T	Owen Pyle	21/12/2019 11:09:44	OBJ	<p>There is no good reason to remove this tree. It appears to be a decision made with no rationale or justification and there is no apparent explanation of who this will benefit.</p> <p>There seems to be a consistent theme of cutting down perfectly healthy and well-liked trees on Belsize Grove. Please do not let this become a regular occurrence! Please keep the tree.</p>
2019/6011/T	Avril Walker	20/12/2019 13:31:59	OBJ	<p>I strongly object to the destruction of the lime tree in the garden between Gilling Court and Holmefield Court. There seems to be no valid reason for destroying this beautiful tree. It is the most pleasing thing I see from my window.</p>
2019/6011/T	Becky	22/12/2019 13:44:46	OBJ	<p>Since this tree is healthy and not causing any damage to the building, I would ask that this tree is not felled to ground level. What is the sense in removing the tree? Help keep our gardens green.</p>
