

2019/5388/P

Dear Josh

Please accept this email on behalf of my clients who own 26 Harley Road as their objection to the planning application 2019/5388/P for 9 Harley Road, NW3 3BX.

We agree with all the reasons for objection as given by the Elsworthy Residents Association Chairperson. We would welcome a treatment for the front that was more in keeping with the other houses nearby and have no objections to any of the plans for the rear of the property.

Can you please confirm receipt of this objection email at your earliest convenience.

Many thanks
