

An aerial photograph of a residential neighborhood. A red outline highlights a specific property located at the intersection of a major road and a smaller street. The property is a large, multi-story building with a complex roofline, possibly a school or institutional building. The surrounding area is densely packed with houses, many with green lawns and mature trees. A large, open lot with a dirt surface is visible to the right of the highlighted property. The overall scene is a typical suburban or urban residential area.
