I very strongly object to the reduction in retail unit size and number for these buildings at the "Triangle" site. Whilst retail units may bring some community benefit for residents, Argent have allowed the retail units along York Way opposite the site at Saxon Court and Rubicon Court be used as office space which brings little benefit to local residents. It would therefore be a real shame to see retail use sidelined for this section of York Way. These buildings should be considered in the wider context of the Argent development.

Kind regards
Ian
