2019/6096/P		02/01/2020 10:59:54	SUPC	Please work with Camden Council gardening contractors to arrange for any significant shrubs or plants and trees to be recycled and used by Camden on Camden properties or parks. In this way, Camden will be able to reuse the plants to reduce pollution and improve the general environment within Camden at little or no cost. Such Camden Estates as South End close would benefits from such plants and shrubs which would improve the general environment and the quality of life for residents, as an example.
