Dear Sir,

**Planning application 2019/5788/P
2 Torriano Cottages NW5 2TA**

I have today lodged an objection your website to the above numbered planning application on behalf of myself and my husband Peter Davies but was unable to add pictures to the comments on line.

I now enclose a copy of the relevant part of the Ordnance Survey Town Plan for 1871-1873 showing 1 and 2 Torriano Cottages, and a page of photos from The London Picture Archive showing the numbers 1 and 2 Torriano Cottages in the 1960's with the porch and front bay windows clearly visible.

Could you please acknowledge safe receipt of these documents?

Many thanks

Yours faithfully
