The Council has considered your application and decided to grant approval of details.

Informative(s):

1 Reasons for granting approval-

The submitted details of water use shows that the property will achieve less than the required maximum of 105 litres per person per day, thus results in a water-efficient dwelling.

The full impact of the proposed development has already been assessed.

As such, the proposed details are in general accordance with policies CC1, CC2 and CC3 of the London Borough of Camden Local Plan 2017.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2019.
