2019/6064/P	Sebastien GERS	08/01/2020 12:00:47	SUPPRT	As a resident of West Hampstead / Fortune Green area, I would like to express my strong support for this planning application. I think it is good for the neighbourhood and the community to encourage expanding families to stay rather than being forced out of the area. Such improvements enhance the strong sense of community. Also, the design and the high quality finish of the dormer, its location just next to other very similar dormers, and the hip-to-gable which balances the house (the other side of the house already has a hip-to-gable) is a very good architectural/design addition to the street.
