

Application No:	Consultees Name:	Received:	Comment:	Response:
2019/5747/P	Chales Healey	08/01/2020 13:16:32	OBJ	<p>I wish to strongly object to this new application for a change of use on the grounds that it will bring increased numbers of people into the area creating excessive noise. An area which already has many food outlets for which we already suffer with late night deliveries, rubbish collections and ventilation noise. My children whose bedrooms overlook Neal St already struggle to get an undisturbed nights sleep as they are often woken by clients of existing outlets smoking laughing taking phone calls. This new application I notice includes an entertainment licence I am very concerned about amplified music vibrating through adjoining walls. This is of special concern as my daughter has important exams this year. I do not want her educational achievements stifled by poor sleep.</p> <p>Neal St is a highly residential area but a narrow street which amplifies the noise.</p> <p>The rear of the property where new proposed kitchen will be located is adjacent to my properties front door vents will be expelling noise fumes smells etc.</p> <p>If Camden grant this application it will be creating a prescient and will be acting against its own local plan to protect the local residential amenity</p>
2019/5747/P	jacqueline HARVEY	08/01/2020 16:29:30	COMMNT	<p>I object as a resident due to the additional noise and disturbance to the area.</p> <p>Cafes and food shops have people loitering around the street which is already heavily polluted from pests, drugs and gangs. Can't get any rest at night as people leave the area drunk and aggressive. Cafes and restaurants add to infestation problems too!</p>
2019/5747/P	Seven Dials Co-op	08/01/2020 13:30:55	PETITNOBJ E	<p>I am writing on behalf of the Seven Dials Housing Co-Op and we have a our tenants at 62A Neal Street. We are objecting against this restaurant because we have too may restaurants on that corner and end of Neal Street.</p> <p>A restaurant will mean extractor fans which can be noisy and we already have problems with some of the businesses on that road. A drinks licence and entertainment will mean more noise created by people drunk leaving the premises which the residents in the are already have enough to deal with.</p> <p>These restaurant attracts more ASB especially if there are tables outside as it brings more beggars and thieves to the area.</p> <p>Residents have far too much too put up with at the moment with the premises on Neal St already as we are delaying objecting to shops playing music, extractor fan noises and various other issues</p>
