The Council has considered your application and decided to grant Listed Building Consent subject to the following condition(s):

Conditions And Reasons:

Reason: In order to comply with the provisions of Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

- 2 The development hereby permitted shall be carried out in accordance with the

following approved plans:

Coopers specification firemaster plus, scope of works, site plan, 51 T1 (propose), datasheet, 322GA401 PL1 (propose plans and sections), 322ID401 PL1 (propose fire curtain details), 322EX401 PL1 (existing plans and sections), design & access statement

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

- 3 All new work and work of making good shall be carried out to match the existing adjacent work as closely as possible in materials and detailed execution.

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

Informative(s):

- 1 The host building is a grade-II-listed, 1848 ticket-tallying hall by Hardwick, with large double-height rooms to the ground floor with balconies across the back.

The building has been extended to the rear, with additional staircases added. The applicant wishes to open a doorway between two adjacent staircases at lower-ground-floor level to improve lateral permeability, and to install a fire curtain within the new opening.

The area and material involved are modern so there is no harm to historic fabric or plan form.

Any works other than those specifically mentioned in the consented documents are unauthorised. If further works are found to be needed, the permission of the council's conservation team must be obtained in writing, or further listed building consent may be required.

The proposed works will not harm the special interest of the grade-II-listed building.

The site's planning history has been taken into account in making this decision.

Special attention has been paid to the desirability of preserving the special interest of the listed building, under s.16 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013

As such, the proposal is in general accordance with policy D2 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2016 and the NPPF.
