2019/5774/P	RJ Dowsett	09/01/2020 10:46:00	OBJ	<p>I am writing to object to this Application. The addition of a canopy even at the rear of the property should not be permitted in a Conservation Area. The canopy would be completely out of character with the rest of the properties on the South side of 1-10 Gayton Crescent (inclusive). I live in and own one of such properties.</p> <p>No other property has any such canopy or indeed any canopy at all. The terrace at the rear is harmonious (as it is at the front) and should remain so. This Application should be rejected.</p>
