2019/5888/P	Aisha Nakyambadde	09/01/2020 23:21:13	COMMNT	It is DEVASTATING to hear that the launderette is threatened to be closed. I am a resident of England's Lane Residence and this launderette is the ONLY place we can get our washing done with convenience since we don't have washing facilities at the hostel. We are all parents with children meaning on average we do 2/3 washings a week. How on earth are we supposed to live without washing our clothes? How can our children go to school with dirty uniforms? It is sad that the council can even consider giving away the launderette without asking the community about its effect. It's bad enough that our living conditions are not certain, but now even our hygiene is at stake. Please please please consider families who NEED this service before shutting it down. Thanks in advance

2019/5888/P	Julia Fletcher	09/01/2020 15:41:14	COMMNT	This dismays me. The Launderette is a very valuable community resource for local residents. It is heavily relied upon by the families living in Englands Lane Residence who will have nowhere else affordable to go for their washing. If it is up for sale then it would be great if it could be sold as a going enterprise. The statement by Pegasus Group that residents could use Chequers Dry Cleaners instead is incorrect; the owner of that business has already said that he couldn't offer the same service.

2019/5888/P	Luci	09/01/2020 16:08:29	OBJ	Very disappointed to hear of plans to replace the laundrette with a juice bar. I have used the laundrette weekly, consistently, for over 5 years. It is always busy, and with a diverse range of customers. Celia is a pillar of the local community and works tirelessly- for local primary schools, businesses, and those in the nearby hostel accommodation. It is totally inaccurate to suggest that the dry cleaning service opposite will plug the gap if the laundrette closes- the dry cleaning service is expensive and tailored towards those with special items of clothing that cannot be washed under other conditions. I don't know what a lot of the people in the community- especially those without resources- will do without the laundrette. Furthermore, other local businesses - cafes such as chamomile on England's lane, will suffer if yet another juice bar opens. Please keep the laundrette- it matters to this community.
2019/5888/P	Rev Jeremy Fletcher	09/01/2020 16:04:07	COMMNT	The launderette provides a much needed service, especially for residents of the Englands Lane Hostel. There are few such facilities nearby.

2019/5888/P	Gian Banchemo	09/01/2020 14:36:10	OBJ	<p>I wish to OBJECT to the change of use. At a time when people with washing machines are told to use them on "cold" because of the current and ongoing risk of catching fire etc. there is an increased and substantial use of this facility. The drycleaner opposite does not provided washing facilities and it is disingenuous to suggest that he could fill the gap. I am not sure whether one can "force" the present use to be retained, but at the very least the Council should refuse the change of use. There are few remaining useful shops in England's Lane: RKP Hardware store has now gone and we have to go all the way to B&Q in Cricklewood to just buy a few screws, we still have a butcher and stationer, the rest mainly coffee bars (how many coffees can you drink?) I moved here in 1959 and how, how England's Lane has changed, we can't all go to Brent Cross to do our shopping!</p>
